As there appears to be an unnecessary sensitiveness on the subject of negro soldiers, it may be as well to refer to antecedents. We need not go back to the War of Independence; nor recite the laws of Virginia and other States, applauding and giving freedom to negro soldiers for their gallantry in that war. We shall, at this time, only refer to Gen. Jackson, adopted identically the same course that the Government is now doing,-placing the negroes by themselves, with good white commissioned officers over them. The Convention was called by the "Democratic National Executive Central Committee," and they style the assembly to meet, "the Democratic National Convention." There is no "Union conservative" about the call, -no such title given it, and provisions of the enrollment bill. We have no delegates to such a body will be admitted.

FISK'S METALLIC BURIAL CASES. WERE introduced into this community by myself about 1847, and a large number of calls attended with entire satisfaction, to all concerned, until 1857, when I discontinued the trade. Since that time Mr. A. G. Cammack has had the trade almost exclusively, and recently expressing a strong determination to retire from the business, and offering very reasonable inducements, J. Willie Graham and myself purchased his entire stock on hand, which, together with a fine assortment of CASES AND CASKETS, received since the purchase from him, makes our present supply

We have also concluded to manufacture and keep constantly on hand a full assortment of WOODEN COFFINS, of every size, price, and

We are also prepared to offer special inducements to undertakers in or out of the city, either for Cases, Caskets, Wooden Coffins, and every description of Coffins trimmings, all of which we intend to keep and offer on reasonable terms. Individuals or families can feel assured that all orders entrusted to us, will be promptly and care-

fully attended to. Apply to
